# A GRINCHY Christmas

-Christmas Program 2011-

Our dance performance this year consists of songs from the classic Christmas tale, How the Grinch Stole Christmas. Dancers have been rehearsing their songs in class and are excited to share them with you this holiday season. **Performance participation is optional.** Below is the list of performance locations, days and times. You do not have to attend every performance to participate in the "Grinchy Christmas" with Epic Steps. There is a \$7 per dancer performance fee. This helps to cover some of the expenses associated with our Christmas performances. The cost remains \$7 no matter if you participate in all of the performances or just one. We will not hold any extra rehearsals for the Grinchy Christmas. Students will learn their dances in class and perform their one song per class in the order listed below. We ask that you arrive to each performance with plenty of time to get in your first costume, stretched and standing with your group. The nursing home performances can get slightly crowded. For this reason we offer a family and friends performance at the Scottish Rite Temple on Sunday December, 18<sup>th</sup> at 3:00pm. Admission is free and there is plenty of seating everyone. Please feel free to video record or take pictures at any or all of the performances. We have included information on costume and shoe requirements along with parade information.

We also need one parent volunteer per class that can attend every performance to keep the group together and organized. If you are interested in being a volunteer please sign up on the sheet in the hallway at the studio.

Thank You!

We strive to keep the Christmas performance costume costs to a minimum, using items you may already have or could possibly use for dance class. You do NOT need to purchase anything through Epic Steps. You may get all of the items on your own; this is not like the spring recital. If you would like to order costume pieces through the studio please return your costume form with payment by November 16th. Plain Green or Red t-shirts may be purchased from Michaels for a reasonable price. Wal-Mart, Kmart or Target may also sell a picture free shirt.

Please make sure you have all of the items (down to sock and shoe color) for your dance by the first performance in December. Clearly mark your name on each dance item and shoes. Thank you.
